

EDUCATION

East China University of Science and Tech

B.Eng. in Slacking Engineering

July 2019

- Spent 35 nights in the school library; fell into the lake for 2 times and mistakenly picked up swimming
- Got the title of slackest student for 4 consecutive years
- Coursework: Introduction to Not-doing-anything, Principle of NSFW Content

Western Country Kindergarten

Babe

June 2003

- Learned to do midday naps
- Was a cute boi and had a lot of fun with other cute bois&gals

WORK EXPERIENCE

A Huge Personal Electronics Company

Software Intern

Mar. 2020 - Sept. 2020

- She wasn't sure whether to be impressed or concerned that he folded underwear in neat little packages.
- Nothing seemed out of place except the washing machine in the bar.
- She could hear him in the shower singing with a joy she hoped he'd retain after she delivered the news.
